

MATH 151: CALCULUS II
CRN 92709
10-12:05 TTh, M105

Instructor: Carolyn R. Thomas, Ph.D.

Required Material: Calculus: Early Transcendentals, Anton, 8th edition

Class Format: Most of chapters 8-12 of the book will be covered during the semester. There will be tests as indicated on the schedule below and a quiz each class meeting except for test days. Up to the first thirty minutes of each class will be spent reviewing assigned homework problems. Following that will be a test or quiz, then new material will be covered.

Requirements: You are allowed three absences. Leaving class early will be counted as half an absence. You will be dropped from the class if you have more than three absences; however, if you stop attending, it is your responsibility to drop the class. All students remaining on the roster after October 31 must receive a letter grade. If your phone rings during class or if I see you text messaging or using the internet during class or if your electronic devices disrupt class in any other way, points will be deducted from your quiz total. Two points will be deducted for the first incident, 4 for the second, 8 for the third, and so on, in a geometric sequence.

Academic Honesty: Cheating will not be tolerated. Anyone who plagiarizes someone else's work or uses resources that are not allowed on an assignment will receive a score of zero on that assignment. Furthermore, every possible effort will be made to place that cheating incident in the student's permanent record.

Evaluation: Your final grade will be based on homework, quizzes, tests and a final exam. There will be no books, notes or calculators allowed on any tests or quizzes. There will be no late tests or quizzes given under any circumstances. After dropping your two lowest quiz grades and one lowest test grade, scores will be counted as follows:

Test average:	40%
Quiz average:	25%
Homework:	5%
Final exam:	30%

Letter grades will be assigned using the following scale:

A	90-100%
B	80-89%
C	70-79%
D	60-69%
F	0-59%

Office Hours: My office telephone number is (619) 388-3363, and my e-mail address is DrT@5cats.org. The syllabus, practice tests and test scores will be posted at math.5cats.org. I will be available in room M211 as follows:

Monday	9:00-9:30, 12:35-1:05
Tuesday	12:05-1:05
Wednesday	9:00-9:30, 12:35-1:05
Thursday	12:05-1:05
Friday	12:10-1:10

Tentative Schedule:

Week Of:	Sections Covered
8/25	8.2-8.4
9/1	8.5-8.7
9/8	8.8, 9/11 test on chapter 8
9/15	9.1-9.3
9/22	10.1-10.2
9/29	10.3, 10/2 test on 9.1-10.3
10/6	10.4-10.6
10/13	10.7-10.9
10/20	10.10, 10/23 test on 10.4-10.10
10/27	11.1-11.3
11/3	11.4-11.6
11/10	11/11 holiday, 11/13 test on chapter 11
11/17	12.1-12.3
11/24	holidays
12/1	12.4-12.5
12/8	review
12/15	12/16 final exam

Homework problems consist of multiples of 3 (3, 6, 9, 12, 15, ...) in each section. Homework will be accepted until 10 AM Thursday, December 11.
